

EXTREMELY HIGH EFFICIENCY

Comparison of cutting efficiency with other famous brands

Woodpecker Ultrasurgery Unit 60W with LED. In this modern era, technology has become so advanced that even dentistry becomes so easy and accurate. Offered Piezosurgery unit is ergonomically designed by using cutting edge technology for bone surgery that enables osteotomy and osteoplasty techniques to be applied in almost any anatomical situation and this is just because of its 3D ultrasound oscillation.

FEATURES :-

- Micrometric Cutting which ensures max. surgical precision and intra-operative sensibility.
- Selective Cutting ensures max safety for the soft tissues.
- Cavitation effect helps in achieving max. intra operative visibility.
- Automatic tuning circuit prevents wear of tips as well as gurantees work in constant condition with utmost efficiency.
- LED handpiece ensures better vision.

US-II, as the product with the core technology of woodpecker:
owns complete clinical monitoring system, guarantee the safety;
adopts Cascade Fixed Frequency, with more steady and efficient vibration matching;
with developed spare parts, more close to and focus on clinical practice.

US-II (LED) TIP SERIES

A Wide Choice for Application

CLINICAL PRACTICE

APPLICATION :-

- Oral Surgery.
- Orthopedic Surgery.
- Maxillofacial Surgery.
- Cosmetic Surgery.
- Neurosurgery.
- Otolaryngology.

SPECIFICATION :-

- Power Input 200 – 240V~ 50Hz/60Hz 360mA (MAX)
- Power Input (Optional) 100 – 120V~ 50Hz/60Hz 720mA (MAX) with the help of voltage converter .
- Working Frequency 24kHz~29.5kHz
- Output Power 60W
- Main Unit Weight 3.8kg
- Dimensions 330mm ? 254mm ? 167mm
- Operation BONE FUNCTION, ROOT FUNCTION, CLEAN FUNCTION

EQUIPPED WITH TWO PROFESSIONAL DISINFECTION KITS

Equipped with: 2 handpieces+14 tips

X2

Foot Switch

Foot switch of US-II & LED has passed IPX6 water-proof test, specialized in cutting centre.

Autoclave box

Used for sterilization and storage of handpiece and tips.

Carrying Case

Used to store all the accessories of US-II & LED.
